

 Scrubber · hand brush · cloth Application	 approx. 5 min Contact time	 Rinse off with water wipe off	 ready to use (RTU) undiluted	 +5 to +25 °C Storage, frost-free
--	---	--	---	---

Only for alkali-resistant surfaces. Check colour fastness and compatibility beforehand in an inconspicuous spot.

CAIRCON Special cleaner is a liquid, powerful special cleaner for the intensive cleaning of alkali-resistant surfaces and for substrate preparation prior to a subsequent coating. It is a ready-to-use cleaning agent (RTU).

IMPORTANT – CHECK COMPATIBILITY: Before use, check the colour fastness and compatibility in an inconspicuous spot. Only use the cleaner on alkali-resistant surfaces.

1 · APPLICATION

1	Prepare & wet Remove coarse dirt with a broom. Check colour fastness/compatibility in an inconspicuous spot and wet the substrate to be cleaned completely with the cleaner.
2	Let act & work Work the surface depending on the substrate with a scrubber, hand brush or cloth. Let the product act for approx. 5 minutes and loosen stubborn soiling with a scrubber or brush.
3	Rinse off Rinse the surface with water and clean thoroughly with a mop or cloth. Treat remaining soiling again.

ONLY ALKALI-RESISTANT SURFACES: The cleaner is powerful – only use it on alkali-resistant surfaces and check sensitive substrates beforehand in an inconspicuous spot.

TROCKENZEITEN

approx. 5 min

LET ACT

After letting it act, rinse off with water and wipe thoroughly.

Repeat the application if necessary.

PRODUCT DATA (GUIDE VALUES)

Type	liquid, ready-to-use special cleaner (RTU)
Application area	intensive cleaning of alkali-resistant surfaces · substrate preparation before coating
Application	wet undiluted · let act approx. 5 min · scrub/brush · rinse off with water
Shelf life	approx. 24 months at +5 to +25 °C, unopened; protect from frost

All data are non-binding guide values and depend on substrate, tool and ambient conditions – no assured properties.

RECOMMENDED COMPLEMENTARY PRODUCTS

Cleaning	Etching solution
Substrate	Epoxy primer · Levelling compound
Tools	Spiked overshoes · Floor roller · Paintbrush set
Similar products	Epoxy floor coating · Tile paint · Wood paint · Nano façade paint

SAFETY & DISPOSAL

Labelling	in the original no hazard pictograms/no signal word/no hazard statements – declared as not subject to labelling (see open_points: 'powerful' cleaner, check classification)
Protective measures (recommended)	With powerful cleaners, wear protective gloves, avoid eye contact and ensure good ventilation.
P101 / P102	If medical advice is needed, have product container or label at hand. Keep out of reach of children.
P501	Dispose of contents/container to an appropriate recycling or disposal facility.

Environment & disposal	Dispose of product residues according to official regulations via a licensed waste-disposal company; give non-contaminated, completely emptied packaging for recycling.
