

Special degreaser

Ready-to-use degreaser & cleaner before coating · for tiles, metal, wood, plastic & sanitary surfaces

 Spray Application	 3–5 min Contact time	 With clear water wipe off	 ready to use undiluted	 let dry completely before further treatment
--	---	--	---	--

Check material compatibility beforehand in an inconspicuous spot. Do not let the product dry on; let it dry completely after cleaning.

CAIRCON Special degreaser is a ready-to-use product for the thorough degreasing and cleaning of tiles, bathtubs, paintable metal, wood and plastic surfaces as well as furniture parts. It is specially designed for use before subsequent coatings and reliably removes greases, oils and impurities, so that the following coating adheres optimally.

IMPORTANT – CHECK COMPATIBILITY: Check the material compatibility before use in an inconspicuous spot. Do not let the product dry on during the contact time and afterwards wipe thoroughly with clear water.

1 · APPLICATION

1	Preparation & test Remove coarse dirt with a cloth or sponge and check the material compatibility in an inconspicuous spot.
2	Apply & let act Spray the degreaser evenly onto the surface to be treated and let it act for 3–5 minutes without it drying on.
3	Clean & rinse Work the surface with a cloth, brush or scrubber and wipe thoroughly with clear water to remove all residues.
4	Dry Let the surface dry completely before any further treatment (coating) is carried out.

MATCHED TO SUBSEQUENT COATINGS: The degreaser is matched to the subsequent coating (e.g. tile paint, metal protection paint, wood paint, boat varnish, window and door paint, radiator paint, bathtub paint). For a long-lasting result, let it dry completely before coating.

TROCKENZEITEN

3–5 min

LET ACT

Do not let it dry on.

Before further treatment, let the surface dry completely.

PRODUCT DATA (GUIDE VALUES)

Type	ready-to-use degreaser/cleaner (RTU)
Application area	tiles, metal, wood, plastic, sanitary surfaces, furniture parts — before coating
Application	spray on · let act 3–5 min · wipe off with water · dry
Shelf life	approx. 24 months at +5 to +25 °C in the sealed original container; protect from frost and direct sun

All data are non-binding guide values and depend on substrate, tool and ambient conditions — no assured properties.

RECOMMENDED COMPLEMENTARY PRODUCTS

Tiles	Tile paint · 2K Tile paint
Metal	Metal protection paint 4-in-1 · Hammer-finish paint
Wood / sanitary	Wood paint · Bathtub paint
Boats / windows	Boat varnish · Yacht varnish · Window and door paint
Radiators	Radiator paint
